II. The Credit

2.1 Term Loan

2.1.a Funding of Term Loans. Subject to terms and conditions of this Agreement, Lender agrees to lend to Borrower the sum of THIRTEEN MILLION EIGHT HUNDRED THOUSAND AND 00/100 U.S. DOLLARS (\$13,800,000.00) in lawful money of the United States, with interest at the applicable Interest Rates defined below.

2.1.b The Note. In order to evidence the Loan made by Lender to Borrower on the date hereof, Borrower will execute and deliver a promissory note, in the form of Exhibit A hereto (together with any and all amendments, modifications, supplements, substitutions, renewals, extensions, and restatements, thereof and therefor, the Note, repayable and maturing in accordance with and bearing interest as set forth therein).

2.2 Term of Loan, Interest Rates

2.2.a Term Loan. Borrower's Loan shall be a term loan, and absent an Event of Default or an event of Mandatory Prepayment as provided below in Section 2.4 whereby Borrower fully repays the Loan and all amounts due herein, the final payment of principal, interest and costs shall be paid on or before January 1, 2025, or as otherwise provided herein (the "Maturity Date").

2.2.b Interest on the Loans; Payments. As set forth more specifically in the Note, interest on this Note shall accrue from and after the date of disbursement at an annual fixed rate equal to eighteen percent (18%) (the "Interest Rate"). NOTICE: Under no circumstances will the interest rate on the Note be more than the maximum interest rate allowed by applicable law. Interest shall accrue daily and shall be calculated on the basis of a 365-day year and the actual number of days elapsed in any partial calendar month. Absent an Event of Default or an event of Mandatory Prepayment as provided below in Section 2.4. On the 1st day of each month from September 1, 2023 through December 1, 2024, Borrower shall make consecutive monthly installments of principal in the amount of One Hundred Thousand (\$100,000.00) per month. All unpaid principal, interest and costs hereunder shall be due and payable on the Maturity Date. **THIS IS A BALLOON LOAN. Notwithstanding anything to the contrary herein, provided the Borrower makes the principal payments as set forth herein and satisfies the loan on the Maturity Date, no interest shall be due.**

2.2.c Default Interest Rate; Late Fee. All Obligations shall bear interest from and after the occurrence of an Event of Default and for so long as an Event of Default shall be continuing, and without constituting a waiver of any such Event of Default, on the unpaid principal balance hereof at the Default Interest Rate. Borrower agrees to pay a late charge equal to ten percent (10%) of each payment of principal and interest or Twenty-Five Dollars (\$25.00), whichever is greater, which is not paid within ten (10) days of the date on which it is due.

2.2.d Maximum Interest Rate. In no event shall any rate of interest charged hereunder exceed the highest applicable rate permitted by law (the "Maximum Rate"). If, in any month, the applicable rate absent such limitation would have exceeded the Maximum Rate, then the rate for that month shall be the Maximum Rate, and if in future months, the rate would otherwise be less than the Maximum Rate, then to the extent permitted by applicable law, the rate shall remain at the Maximum Rate until such time as the amount of interest paid hereunder equals the amount of interest which would have been paid if the same had not been limited by the Maximum Rate. Lender may, at its option, charge any interest payable by Borrower to Borrower's loan account, which amounts shall thereupon constitute Obligations hereunder and shall thereafter accrue interest as provided for in this Agreement. Nothing contained in this Agreement or the other Loan Documents shall be construed or shall so operate either presently or prospectively to require Borrower to pay interest at a rate greater than the rate which is now or hereafter lawful for transactions of this kind. If the interest rate exceeds any applicable law relating to interest, then this Agreement and the Loan Documents shall be interpreted and construed to require payment of interest only to the extent of such maximum lawful rate, not to exceed the rate set forth in this Agreement or the other Loan Documents, where applicable.

2.3 Fees and Expenses

2.3.a Expenses. Borrower shall reimburse Lender for all of its reasonable expenses incurred in connection with the preparation (including due diligence), negotiation, documentation, amendment, modification, administration or enforcement of this Agreement, the Note or any other Loan Documents, including reasonable attorney, paralegal, marine surveys and other professional fees, and for all filing, approval, survey, title, inspection and insurance fees and charges incurred by Lender in connection with the preparation, negotiation, drafting, underwriting, collateralizing, administering, issuing or enforcing the Loan Documents.

2.4 Mandatory Prepayment. If Borrower sells the Vessel, the proceeds of any sale shall be applied to the outstanding principal balance of the Loan. In addition, if the net amount realized from the sale of the Vessel is less than the outstanding principal balance of the Loan, Borrower agrees to remit to Lender any additional amounts required so that the outstanding principal balance of the Loan is paid in full.

2.5 Application of Payments and Prepayments. Any payments made by Borrower under this Agreement, the Note or any other Loan Documents shall be applied to Borrower's Obligations owing as of the date of payment in the following order: (i) to any amounts or fees owing to Lender pursuant to this Agreement and the Loan Documents; (ii) to interest accrued pursuant to the terms of the Note; and (iii) to the principal balance of each respective Loan.

2.6 Default Interest. In the event any amount of principal or interest due hereunder or any other payment due under this Agreement or any of the other Loan Documents becomes overdue, such overdue amount shall accrue interest at the Default Interest Rate from the due date through the date of payment.

2.7 Payment to Lender. The Lender's right from time to time after the occurrence or happening of an Event of Default hereunder (which has not been waived in a writing signed by the Lender) by the Borrower against the Borrower's monies, deposits, credits, accounts or other property now or at any time in possession or control of the Lender, is hereby acknowledged and agreed to by the Borrower. For purposes of this Agreement and the other Loan Documents, payments to the Lender with checks or other similar drafts, which shall be returned to Lender due to insufficient funds shall be deemed not to have been paid to Lender in the first instance. Payments to the Lender shall be made to the Lender at its

Borrower agrees that it shall bear the risks of loss with respect to the Collateral and will indemnify Lender and hold Lender harmless from any and all claims, demands, liabilities, losses, damages, diminutions of value, costs and expenses relating to or in any way arising out of or from any possession, use, operation, control, sale, disposition or collection of any of the Collateral, except to the extent the foregoing are caused directly by Lender's gross negligence or willful misconduct. Borrower hereby releases Lender from any and all claims or causes of action, which Borrower may have, now or hereafter, relating to the foregoing, except those arising from Lender's gross negligence or willful misconduct.
- 5.1.h Defense of Collateral. Borrower shall pay, or cause to be paid, when due, all material indebtedness, lawful claims or demands with respect to the Collateral which, if unpaid, might result in, or permit the creation of, any lien or encumbrance on the Collateral, including, without limitation, all lawful claims for labor, materials and supplies, and, in general, do and cause to be done, everything reasonably necessary to fully preserve the rights and interests of Lender under this Agreement and the other Loan Documents. In addition, Borrower shall at all times defend Lender's rights and interests in and to the Collateral, and the first priority position of said rights and interests against any and all claims of any person adverse to Lender and take all necessary or appropriate actions to give effect to Lender's first priority of rights and interests contemplated by this Agreement and the other Loan Documents.
- 5.1.i Automatic Debit. Intentionally deleted.
- 5.1.j Assignment of Maintenance and Service Contracts. Borrower hereby absolutely and irrevocably assigns and transfers to Lender all of Borrower's right, title and interest in and to a maintenance, service or other third-party contracts affecting the Collateral. Borrower irrevocably appoints Lender its true and lawful attorney-in-fact, at the option of Lender at any time and from time to time, to demand, receive and enforce Borrower's rights thereunder. This assignment and transfer shall remain in full force and effect until the Obligations have been paid in full, provided that in the event payment to Lender of the Obligations should in any way be "clawed back" under any theory of bankruptcy, insolvency, or similar law, then this assignment will continue in full force and effect.
- 5.1.k Insurance. Borrower will maintain in full force and effect fire, theft, and "all risk" marine hull and machinery and protection and indemnity insurance on the Vessel, and such other insurance covering such risks and perils, upon such terms and in such amount and with such endorsements as Lender may reasonably require, including, without limitation, pollution and environmental coverage, as well as seizure coverage on the Vessel. In addition to protecting Borrower, the insurance must protect Lender as a loss payee and as an additional insured (without liability for payment of premium), but only to the extent that the insurance company agrees to list Lender as an additional insured, and must be written for at least one year at a time. The amount of Borrower's marine hull and machinery insurance shall not be less than the purchase price of the Vessel under the PSA, the market value of the Vessel or 100% of the Loan amount, whichever is greater (except as otherwise restricted by law), or unless otherwise agreed in writing by Lender. The underwriter and maximum deductible on Borrower's insurance must be reasonably satisfactory

to Lender. Lender may sign any proof of loss and endorse any check, draft, or other form of payment issued by the insurance company or its agent as a loss payment, and Borrower hereby appoints Lender as Borrower's attorney-in-fact for this purpose. This power of attorney shall not be affected by Borrower's disability. Proceeds of the insurance may be used either to repair the Vessel or to reduce the indebtedness, in Lender's discretion. If Borrower's insurance lapses or is canceled at any time before the Loan is fully paid and performed, Lender must be given prompt notice of said lapse or cancellation. In the event of lapse or cancellation, or in the event of Borrower's failure to pay any premiums when due or otherwise to provide or maintain insurance coverage, subject to the notice and cure provisions of Section 7.11 below, Lender may, but is not obligated to, buy replacement coverage protecting Borrower and Lender or Lender alone. In such event, Borrower will repay the premiums at Lender's request with interest at the rate in effect under the Note. Borrower shall procure breach of warranty endorsements or separate Lender's single interest coverage in an amount at all times equal to or greater than Borrower's indebtedness to Lender as set forth in the Note, such that no act or omission of Borrower, or any charterer, or breach of any warranty, including breach of any warranty of seaworthiness, whether express or implied, shall operate to forfeit Lender's coverage under the above policies or result in a cancellation of insurance as to Lender.

- 5.1.l Seizure. If the Vessel shall at any time, while subject to the lien hereof, be libeled, seized, detained, levied or attached under process or color of legal authority for any cause whatsoever (individually or collectively the "Seizure"), Borrower will within forty-eight (48) hours of the Seizure notify Lender in writing and, without expense to Lender, within fourteen (14) days from the Seizure, either cause the Vessel to be released by filing an undertaking or stipulation or otherwise as may be lawfully permitted or furnish Lender additional security of a value acceptable to Lender. If Borrower shall fail or neglect to furnish additional security to Lender or otherwise to release the Vessel from the Seizure, Lender may (but need not) furnish security to release the Vessel, and if, as a result of the Seizure, the Vessel shall be sold at a marshal's sale or otherwise under legal process, any insurance money, excess proceeds and other sums recoverable with respect to the Vessel shall be paid to Lender and shall be applied against the indebtedness. In the event of a Seizure, Borrower authorizes Lender to disclose any information which Lender deems necessary to protect Lender's interest in the Vessel and Borrower further authorizes Lender or Lender's agents in Borrower's name and as Borrower's attorney in fact to: (i) receive or take possession of the Vessel; (ii) defend any action and/or discharge any lien; and (iii) refer the protection of Lender's interest to an attorney who is not Lender's salaried employee and receive from Borrower reasonable attorneys' fees. This power of attorney shall not be affected by Borrower's disability.
- 5.1.m Operation of Vessel. The Vessel shall always be under the command of a master licensed by or having a certificate of competence issued by a country acceptable to the Jamaica maritime authorities, and who meets the requirements of the Vessel's insurance policy.
- 5.1.n Registration of Vessel. The Vessel will, at all times during the term of the Loan, be properly registered, and such registration will be effective at all times during the term of the Loan, with the Jamaica Ship Registry, unless otherwise previously agreed to by Lender in writing. Borrower will maintain and keep, at all times during the term of the Loan, on the Vessel, all necessary and required documentation, certificates and other documents as required by the Jamaica Ship Registry (or applicable law).

5.1.o Annual Inspection of Vessel. At least once every calendar year, Lender shall have the right to inspect the Vessel. Borrower shall make the Vessel available to Lender for inspection upon reasonable notice. All costs associated with the inspection shall be borne and paid for by Borrower, including but not limited to transportation and lodging costs for Lender's inspector.

5.1.p Vessel Tracking Equipment. Borrower shall throughout the term of this Loan install and maintain an Automatic Identification System for marine tracking ("AIS") on the Vessel so that the Vessel's location is always transmitted and available to Lender. Any disablement of the AIS during the term of this Loan shall be deemed a material breach of this Agreement by Borrower, except for instances where the system may be taken offline to be upgraded or repaired (or short-term temporary malfunction), and in instances approved by Lender, in writing.

5.1.q Intentionally deleted.

5.2 Negative Covenants.

5.2.a Debt. Borrower shall not, directly or indirectly, create, assume, incur, become or be liable for or with respect to any manner of obligations, subordinate loans, liabilities or indebtedness whatsoever to any Person, or by way of any guaranty that may give rise to a lien, security interest, or other encumbrance that is superior in priority to the Mortgage against the Vessel.

5.2.b False Statements. Borrower will not furnish Lender any certificate or other document that contains any untrue statement of material fact or that will omit to state a material fact necessary to make it not misleading in light of the circumstances under which it was furnished.

5.2.c Name Changes. Borrower shall not, without Lender's prior written consent: (i) change Borrower's corporate name or adopt an assumed corporate name, change Borrower's jurisdiction of incorporation or corporate or organization structure, or change its organizational identification number; (ii) sell a substantial portion of its assets; (iii) change the name of the Vessel; nor (iv) register the Vessel in a jurisdiction other than Jamaica.

5.2.d Guaranties. Borrower shall not guarantee, assume, endorse or otherwise, in any way, become directly or contingently liable in any manner with respect to the obligations or liabilities of any Person, except by endorsement of instruments or items for payment or deposit or collection or as required pursuant hereto or the other Loan Documents.

5.2.e Capital/Ownership Structure. Without the prior written consent of Lender, Borrower shall not make any material change in its capital structure or in the ownership structure of Borrower.

5.2.f Use of Vessel. Borrower hereby agrees, represents and warrants that the Vessel is not and shall not be used as Borrower's principal dwelling place. **Borrower must not charter the Vessel (bareboat or otherwise), or otherwise carry passengers for hire, in any manner without the written consent of the Lender in U.S. waters. However, the Vessel may be chartered outside of U.S. waters if allowed by the Vessel's flag state and insurance.** The Vessel may be operated only within the geographical limits and other requirements of the marine insurance covering the Vessel, as may be amended from time to time. Borrower shall keep all dockage charges current. Borrower shall not use, nor allow the use of, the Vessel for any illegal purpose or contrary to any provision of the laws, treaties, regulations or orders of Jamaica and the United States or other jurisdiction in which the Vessel is operated. If Borrower takes the Vessel to another country, it will comply with all pertinent treaties between Jamaica, the United States and such country, and all

laws and applicable regulations of such country. The illegal commerce in, or possession, carriage, or use of any firearms or controlled substance whatsoever on or about the Vessel is absolutely prohibited.

5.2.g Change of Address or Location of Vessel. Borrower will not, without Lender's prior written consent, move the Vessel from the place(s) as stated in the Loan Documents where it is customarily moored in the summer or stored in the winter, as the case may be, or from the State of the Vessel's principal use, other than for voyages with the intent of returning. Borrower agrees to inform Lender within thirty (30) days if Borrower changes Borrower's name, identity, ownership, membership or structure in any manner. Borrower will notify Lender promptly if Borrower changes Borrower's principal residence or place of business. Borrower agrees that any and all notices sent by Lender to the address listed herein for Borrower, or the last known address of record for Borrower, shall constitute adequate notice to Borrower for all purposes.

5.2.h. Restrictions on Sale, Charter or Use of Vessel. Borrower will not, without Lender's prior written consent, sell or mortgage the Vessel, pledge it as security for another loan, give it away, lease, charter, carry passengers for hire, or otherwise use it in a manner or for purposes contrary to those specified in this Agreement. **Borrower shall not charter (bareboat or otherwise) the Vessel, or otherwise carry passengers for hire, in any manner without the written consent of the Lender, in U.S. waters. However, the Vessel may be chartered outside of U.S. waters if allowed by the Vessel's flag state and insurance, it being agreed to, however, that all charters entered into by the Borrower are to be crewed charters (no bareboat charters) in full compliance with all applicable laws and regulations as well as with the Vessel's insurance.**

5.2.i. Dividends. Borrower will not, without Lender's prior written consent, in Lender's absolute discretion, declare or pay any dividends or purchase, redeem, retire, or otherwise acquire for value any of its membership interests now or hereafter outstanding; or make any distribution of assets to its officers, directors, managers or members as such whether in cash, assets, or in obligations of any subsidiary; or allocate or otherwise set apart any sum for the payment of any dividend or distribution on, or for the purchase, redemption, or retirement of any shares/ membership interests; or make any other distribution by reduction of capital or otherwise in respect of any shares of its capital stock; or permit any of its Affiliates to purchase or otherwise acquire for value any stock of its subsidiaries; or pay any bonuses to officers, directors, managers, members or stockholders; or repay any loans from any officers, directors or members; or make any loans to any officer, director, manager or member.

- 6.2. Security Agreement. Borrower agrees that a Mortgage, or its equivalent in applicable jurisdictions, on the Vessel in Lender's favor will be filed and recorded with the relevant authorities. Borrower agrees to cooperate in regard to and pay all costs of documentation and filing and recording the Mortgage on the Vessel in Lender's favor. In addition, Lender may require that Borrower register the Vessel with the appropriate authority in the state or territory of principal use and that Lender's security interest be perfected under state or territory law, whether through filing of a financing statement or notation on a certificate of title, or both. Borrower agrees to cooperate in regard to any and pay all costs of registration of the Vessel and perfection of Lender's security interest under applicable law. Borrower specifically authorizes Lender to file financing statements without Borrower's signature in any locations Lender deems necessary. Borrower also agrees to pay all applicable taxes

and other fees due and owing under the laws of any state or territory with respect to the Vessel, its purchase and use, including but not limited to the state or territory of the Vessel's principal use. Lender may, but is not obligated to, pay these amounts for Borrower. If Lender does pay these amounts, Borrower agrees to repay Lender on demand, with interest at the rate provided in this Agreement. Borrower agrees that such amount will be secured by the security interest Borrower has granted to Lender. Lender agrees it will provide Borrower with written notice if Lender elects to file any additional financing statements in connection with the Loan.

- 6.3. Preservation of Collateral. Lender may, but is not required to, take such action from time to time as Lender reasonably deems appropriate to maintain or protect the Collateral.
- 6.4. Other Actions as to any and all Collateral. Borrower further agrees to take any other action reasonably requested by Lender to ensure the attachment, perfection and first priority of, and the ability of Lender to enforce, Lender's security interest in any and all of the Collateral including, without limitation, (a) executing, delivering, and where appropriate, filing financing statements and amendments, relating thereto under the Uniform Commercial Code in any state Lender deems appropriate, to the extent, if any, that Borrower's signature thereon is required therefor, (b) causing Lender's name to be noted as secured party on any certificate of title for a titled good if such notation is a condition to attachment, perfection or priority of, or ability of Lender to enforce, Lender's security interest in such Collateral, (c) complying with any provision of any statute, regulation or treaty of Jamaica, the United States, or with other laws as applicable in any foreign jurisdiction, as to any Collateral if compliance with such provision is a condition to attachment, perfection or priority of, or ability of Lender to enforce, Lender's security interest in such Collateral, (d) obtaining Jamaica, U.S., and foreign governmental and other third party consents and approvals required, including without limitation, any consent of any licensor, lessor or other Person obligated on Collateral, (e) obtaining waivers from mortgages in form and substance reasonably satisfactory to Lender, and (f) taking all actions required by the Uniform Commercial Code, or by other law, as applicable, in any relevant jurisdiction, or by other law as applicable in any foreign jurisdiction.

- 7.1. Payment of Obligations. Failure by Borrower to make any payment or pay any sum when due under the Note, this Agreement, or any of the Loan Documents.
- 7.2. Performance Obligations. Failure by Borrower or any Guarantor to perform, keep or observe any covenants, warranties, promises or agreements hereunder or under the Note or any other Loan Documents, including any mortgage, and such failure shall continue for a period of fifteen (15) days after Lender's written notice to Borrower of the occurrence thereof; provided, however, that the fifteen (15) day cure period provided by this Section 7.2 shall not apply to the specific Events of Default set forth in the remainder of this Section 7.

- 7.8 False Statements. Borrower or any Guarantor has made a false or misleading statement about any fact on this Agreement, application for credit, or any of the Loan Documents.
- 7.9 Material Adverse Change. - 7.10 Tax Liens. If a notice or notices of lien, levy or assessment in excess of \$5,000.00, individually or in the aggregate, is filed or recorded with respect to all or a substantial part of the Collateral owned by Borrower by Jamaica, the United States, or any department, agency or instrumentality thereof, by any foreign government, or by any state, county, municipality or other governmental agency, or any taxes or debts owing at any time or times hereafter to anyone or more of the foregoing in excess of \$5,000.00 should become a lien, upon all or a substantial part of the Collateral owned by Borrower, unless such notice or lien is removed within thirty (30) days after filing or recording of such notice or becoming such lien.

There shall have occurred the execution of process, arrest, seizure, notice of claim of lien or forfeiture against the Vessel, or the Vessel shall be made the subject of legal proceedings, and its continuance for more than fourteen (14) days without bonding or other release thereof. It shall also be an Event of Default for Borrower to allow the Vessel to lessen in value, other than through normal depreciation, such that Lender believes in good faith that Lender's interest is no longer adequately protected.
- 7.14 Guarantors. Any of the Guarantors of the Obligations dies, become insolvent or incompetent or breaches the terms of its/his/her guaranty, unless the amount of its/his/her guaranty is paid and the Loan principal is reduced by the amount of such payment or other Guarantor or a new guarantor, in each case acceptable to Lender, assumes the guaranty obligations of the Guarantor that dies, becomes insolvent or incompetent or breaches the terms of its/his/her guaranty.

VIII. Rights and Remedies of Lender.

- 8.1 Termination of Commitment and Acceleration. Upon the Maturity Date, the Loan shall be automatically due and payable without any action, presentment, demand, protest or notice of any kind. Upon the happening or occurrence of any Event of Default set forth in Article VII, or an Event of Default under any of the Loan Documents, such Event of Default not having been previously cured by Borrower or waived in writing by Lender, Lender, may, at its sole and complete discretion and option, declare the Note due and payable without any presentment, demand, protest, notice of any of the foregoing or other notice of any kind, all of which are hereby expressly waived notwithstanding anything contained herein or in the Note to the contrary. Upon the occurrence of any Event of Default, Lender shall have all rights and remedies now or hereafter provided by applicable laws and without limiting the generality of the foregoing, may, at its option, also appropriate and apply toward the payment of each Note, any indebtedness of Lender to Borrower, howsoever, created or arising, and may also exercise any and all rights and remedies hereunder, under the Loan Documents, or in and to the collateral security referred to in Article VI hereof, including, without limitation, the Collateral of Borrower.
- 8.2 Other Remedies Upon Default. Upon an Event of Default, Lender may do any one or more of the following with or without prior notice to Borrower or demand for performance, except as may be required by applicable law: a) intentionally deleted; b) demand that Borrower assemble and deliver the Vessel to Lender at such location as Lender may reasonably require (however, Borrower's delivery of the Vessel will not relieve Borrower of Borrower's obligation to satisfy any deficiency which may arise upon the subsequent sale or other disposition of the Vessel); c) lawfully enter any premises where the Vessel may be located and repossess the Vessel, with or without judicial process or judicial decree; d) sell or otherwise dispose of the Vessel; e) bring suit at law, in equity, or in admiralty to foreclose Lender's security interest and/or recover judgment for any and all amounts due under this Agreement; f) pursue any other remedy provided to Lender under any applicable law or other Loan Document; g) require that Borrower pay court costs and any reasonable amount spent for repossessing, storing, preparing for sale, or selling the Vessel, and any and all other foreclosure costs to the extent permitted by applicable law; and h) keep the Vessel for its own use.
- 8.3 Rights of Secured Creditor. Lender shall have, in addition to the rights and remedies given to it under this Agreement, the Note and the Loan Documents, all of the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which any of the Collateral of Borrower may be located, all rights and remedies of a

mortgagee under the Mortgage, and all rights and remedies allowed by all applicable Laws, all of which rights and remedies shall be cumulative and non-exclusive, to the extent permitted by said laws. All risk of loss, damage or diminution of value with respect to each Borrower's Collateral shall be borne by Borrower at all times and Lender shall have no responsibility, liability or obligation to Borrower therefor except as a result of Lender's gross negligence or willful misconduct.

- 8.4 Disposition of Vessel; Application of Proceeds. (a) If Lender repossesses the Vessel without judicial process, Lender may, in Borrower's name or in Lender's name, sell, lease, charter, operate or otherwise use the Vessel as Lender deems advisable, without being responsible for loss or damage, and Lender may keep the Vessel at Borrower's premises or elsewhere, at Borrower's expense. For this purpose and subject to any applicable state regulation, Lender is irrevocably appointed Borrower's true and lawful attorney-in-fact to make all necessary transfers of the Vessel, to pay, defend or obtain the release of all maritime liens, to waive and release any warranties at disposition, and to take all related actions in Borrower's name and stead as may be necessary and appropriate to enforce Lender's rights under this Agreement. (b) The proceeds of sale or other disposition of the Vessel shall be applied in accordance with applicable law. To the extent permitted by applicable law, any late charges, costs of retaking the Vessel, storage, costs of sale including but not limited to cleaning, repairing and/or maintenance expenses, auctioneer's fee, sales commission, if any, and advertising, insurance, allowable attorneys' fees, collection costs, court costs, and any other necessary expenses will be paid first from the proceeds of the sale or other disposition of the Vessel. Next, all accrued interest to date of payment and any and all other sums (other than principal) due pursuant to the terms of this Agreement shall be paid. Finally, the outstanding principal shall be paid. Any surplus of proceeds of sale or disposition of the Vessel over the amounts of such charges and expenses and amounts owed to Lender shall be paid to Borrower to the extent that such surplus is not required to be paid to other persons with liens on the Vessel. To the extent permitted by applicable law, Borrower shall be liable for any deficiency.
- 8.5 Entry on Premises. Upon the occurrence of an Event of Default, Lender shall have the right to enter upon the premises of Borrower or any Guarantor where the Collateral of Borrower is located or believed to be located, and to enter Borrower's Vessel, without any obligation to pay rent or hire to a Borrower or any responsibility or liability to a Borrower for safeguarding said Collateral from loss or damage or diminution in value, except if caused by Lender's gross negligence or willful misconduct, and render said Collateral unusable or remove said Collateral therefrom to the premises of Lender or any agent of Lender, for such time as Lender may desire in order to effectively value, collect or liquidate said Collateral.

IX. Miscellaneous

- 9.1 Waiver. Lender's failure, at any time or times hereafter, either to require strict performance by Borrower of any provisions of this Agreement, the Note or any Loan Documents, or to enforce Lender's rights under such terms or provisions, shall not waive, effect or diminish or modify such terms or provisions, notwithstanding any conduct or custom, actual or implied, of Lender to the contrary or in refraining from so doing at any time or times. Any suspension or waiver by Lender of an Event of Default hereunder or under any Loan Documents or right or remedy hereunder or under any Loan Document shall not suspend, waive, release or affect any other Event of Default or right or remedy hereunder or under any Loan Documents. No Obligations of Borrower, Events of Default or right or remedy hereunder or under any Loan Documents shall be deemed suspended or waived by Lender unless such suspension or waiver is in writing signed by a duly authorized officer of Lender and directed to Borrower detailing such suspension or waiver.

This Agreement and any related Loan documents shall be governed, enforced and construed in accordance with the laws of the State of Florida, without regard to any laws, rules or regulations concerning conflict of laws that might result in the application of the laws of any other jurisdiction. Provided, that matters pertaining to the perfection of liens and the enforcement of remedies with respect to Collateral shall be governed by the laws of the jurisdiction where the Mortgage is filed or the Collateral is located, as applicable, to the extent such local laws are mandatorily applicable to such issues.

Notwithstanding the foregoing, Lender reserves the right to exercise any of the remedies available to a secured lender under the laws of, including the maritime laws or Uniform Commercial Code or other laws of similar effect as adopted in, or as may apply in Jamaica, the United States, or any place where Borrower is registered, maintains a place of business, or any place where the Vessel or any of the Collateral may be located, including, without limitation, the remedy of non-judicial repossession and sale.

Any legal action or proceeding with respect to this Loan Agreement or any related document may be brought in the courts of the State of Florida in and for Miami-Dade County or the Federal Courts of the United States for the Southern District of Florida, and by execution and delivery of this Agreement, Borrower and Lender consent to the non-exclusive jurisdiction of those courts. Borrower and Lender irrevocably waive any objection, including any objection to the laying of venue or based on the ground of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Agreement or any document related hereto. Notwithstanding the foregoing, (i) Lender shall have the right to bring any action or proceeding against Borrower, any Guarantor, or their property in the courts of any other jurisdiction Lender may deem necessary and appropriate in order to enforce its rights and remedies under the Loan Documents or any related documents, and (ii) Lender and Borrower each acknowledge that any appeals from the aforesaid courts may have to be heard by a court located outside the jurisdiction of such courts.

THIS PROVISION IS A MATERIAL INDUCEMENT FOR LENDER TO PROVIDE CREDIT TO BORROWER.
- 9.7 Disclaimer of Consequential Damages. IN NO EVENT SHALL LENDER OR ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, ATTORNEYS AND AFFILIATES, BE LIABLE FOR INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF PROFITS, ARISING OUT OF THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, THE COLLATERAL OR THE LOAN.

- 9.8 Interpretation. In the event of any conflicting terms, conditions, or requirements under any of the Loan Documents, the Loan Agreement shall control, except that the Mortgage and Deed of Covenants shall be governed by the laws of Jamaica. Each party has participated in negotiating and drafting this Agreement and each of the Loan Documents, so if an ambiguity or a question of intent or interpretation arises, this Agreement and each of the Loan Documents are to be construed as if the parties had drafted such jointly, as opposed to being construed against a party because it was responsible for drafting one or more provisions of this Agreement or the Loan Documents.
- 9.9 Further Assurances. From time to time, Borrower shall sign and deliver to Lender such other and further documents and assurances as Lender may require to maintain the priority of this Agreement, the Mortgage and any other security interest Lender has in the Vessel or the Collateral.
- 9.10 Actions Taken on Behalf of Borrower. If Borrower fails to do anything Borrower is required to do under this Agreement or any other agreement with Lender, subject to applicable notice and cure periods, such as to discharge taxes, liens, security interests or other encumbrances at any time levied or placed on the Vessel, place and pay for any insurance thereon, order and pay for the repair, maintenance and preservation thereof or pay any necessary recording or filing fees, Lender may, in its sole discretion and without further obligation, take these acts on Borrower's behalf as Lender deems appropriate. These amounts so expended will be added to the unpaid portion of the principal indebtedness and the rate of interest accruing on the unpaid principal will be applied until Borrower fully repays Lender. Lender may, but is not obligated to, increase the amounts of Borrower's payments under this Agreement to cover the resulting total unpaid balance. Borrower agrees to make those new payments amounts if so notified by Lender. Lender's security interest in the Vessel shall also secure these amounts. Lender is under no obligation to purchase insurance to protect Borrower's interest in the Vessel or Collateral, or to otherwise satisfy any legal requirement such as se for liability insurance covering personal injury and property damage to others.
- 9.11 Patriot Act Notice. To help fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.
